"The President has been shot" I liked the book a lot, but too much of it was the epilogue. You could've written the epilogue shorter, because then the epilogue wouldn't have added 120 pages to the book.

The President Has Been Shot The Assassination of John F

Overall, The President Has Been Shot was a fascinating look into the life, presidency, and assassination of John F. Kennedy. It s a good book for kids to learn history, but it really is a young adult novel ten was too young for Daniel to read on his own. Reading it together I was able to explain vocab words and edit out some of the more disturbing descriptions of the association that would be fine for a young adult.
